Dear Parents and Guardians,

I am delighted to share the wonderful news that Mrs Aoife Coen has been appointed as the new Principal of Scoil Chaitríona.

Both the staff and I are genuinely thrilled with this announcement. Aoife is a loyal, dedicated, and familiar face to our school community, and her appointment brings with it great reassurance and excitement for the years ahead.

Many of you and your children will already know just how diligent and hardworking Aoife is. She brings a fantastic blend of energy, fun, and enthusiasm into both the classroom and the staffroom, and her positive presence is felt throughout the school.

Over the past three years, Aoife has been an incredible support to me personally, and she has played a key role in leading many of the school's most successful initiatives, from our Active School Flag to the Amber Flag for Wellbeing, and leading the way in Special Education to name just a few.

The future is certainly bright for Scoil Chaitríona. I have every confidence that Aoife's leadership, warmth, and commitment will continue to inspire, support, and guide the school community in the years ahead.

With kind regards,  
John Carr
